GRAPHICS MATERIAL ON NEW HARBOR OF T'ANG-KU

Construction of the new harbor of T'ang-ku was partially completed and a celebration for the official opening of the harbor was held on 17 October 1952. Included in the celebration were a ribbon-cutting ceremony presided over by Chan Po-chun, the Minister of Communications, and the entrance of a 10,000-ton ship, the Ch'ang-ch'un, into the harbor.

The following graphics material relating to the new harbor of T'ang-ku shows the pier, breakwater, lock, etc., under construction, various types of dredgers and equipment in use, the ribbon-cutting ceremony, and the entrance of the Ch'ang-ch'un into the harbor. Requests for copies of, or further information on the photographs described herein should be addressed to Graphics Register, CIA, by referring to report number and item number.
